## GREETINGS FROM MAYOR MARIANNE MEED WARD

**Mayor**  
**Marianne Meed Ward**  
City of Burlington

On behalf of my City Council colleagues, it is a privilege to welcome you to the Canadian 80-Plus Hockey Hall of Fame Induction Ceremony. This is the first time this event has come to Burlington and the first time it is being held in Ontario.

This event is a true testament of the work that the Burlington Oldtimers Hockey Club (BOHC) has accomplished since 1975. The BOHC has grown from just 8 teams to 48 teams playing out of Burlington city arenas. BOHC is one of, if not the largest Oldtimer Club in Canada and, through their generous support of charity organizations and participation in events across the City, and we are proud to have them as a valued part of the community.

Tonight, we are celebrating all the Canadian 80-Plus Hockey Hall of Fame inductees. Your lifelong commitment and contributions to the sport of hockey is being rightfully recognized and is an inspiration to us all. I also want to extend a special congratulations to the 6 Burlington inductees this year: Peter Austin, Rob Grenier, Bill Leithead, Dale McKeown, Bob Pring and Dave Trumbell!

I also want to thank everyone who worked behind the scenes to make this wonderful banquet and induction ceremony possible this evening. I hope you all enjoy this weekend's events and have a chance to spend some time to experience the beautiful City of Burlington. Congratulations once again to all of this years' inductees!

Sincerely,

## A LIFELONG COMMITMENT TO SPORT

The Honourable  
**Karina Gould**

MP, Burlington Ontario  
Minister of Families, Children  
and Social Development

As the Member of Parliament for Burlington, I welcome you all to our beautiful city for the Canadian 80+ Hockey Hall of Fame Induction Ceremony.

This year, 2022, marks the first induction ceremony to be held in Ontario, and I am so pleased that you will get to experience all that our city has to offer.

Thank you to the Burlington Oldtimers Hockey Club (BOHC) for your hard work in hosting this year's events. This is a true testament to your hard work and dedication, as one of the largest Oldtimers Hockey Clubs in Canada.

On a personal note, I've been watching Oldtimers Hockey since my dad joined the local league over 30 years ago! It's a real pleasure for me to celebrate this milestone with you.

To the players being inducted into the Hall of Fame – congratulations! A special shoutout to the Burlington inductees: Peter Austin, Rob Grenier, Bill Leithead, Dale McKeown, Bob Pring, and Dave Trumbell. Your lifelong commitment to sport and community involvement deserves this incredible recognition.

A huge thank you to the volunteers who have worked tirelessly in developing and maintaining leagues, hosting events, and supporting your communities. Your passion for the sport has allowed athletes to continue to enjoy the game they love. Congratulations again to this year's inductees. Enjoy an amazing weekend of events here in Burlington!

## CONGRATULATIONS FROM GARY CARR

I began my career as a professional hockey player. After winning a Memorial Cup championship with the Toronto Marlies I was drafted by the Boston Bruins and spent a few years playing in the International and American hockey leagues. My teams included Dayton Ohio Columbus Ohio Grand Rapids Michigan Rochester NY Syracuse and Springfield.

I quickly learned that the winning team is the one that works together leveraging passion, strategy, and strong leadership to achieve its goals. This lesson drove my success as a Member of Provincial Parliament, Speaker of the Ontario Legislature and later as a Federal Member of Parliament.

Sincerely,

Gary Carr  
Halton Regional Chair
