

80+ HOCKEY HALL OF FAME

TEMPLE DE LA RENOMMÉE DU HOCKEY 80+

PRESS RELEASE

ISSUE DATE OF MARCH 7, 2023

The 80+ Hockey Hall of Fame will induct 29 new members on May 6, 2023. The event will occur at the Bell Sensplex, Kanata, Ontario, beginning with a game of hockey between the new inductees at 3:30 pm on Saturday afternoon on the Mattamy rink. The official 80+ Hockey Hall of Fame Induction Ceremony will take place at a Banquet following the hockey game.

The Hall was initiated in 2011 to recognize the achievement of continuing to play hockey as eighty-year-olds. The goal is to encourage seniors to remain active and play a game they love. To become a member, they must be an active player at the age of eighty and be nominated by their peers as a sportsman of the game.

Each player receives a personalized jersey with their name and favorite hockey number. You might recognize the player's hero by the number on their jersey.

To date 276 players and senior hockey organizers from across Canada have been inducted. The 80+ Hockey Hall of Fame encourages senior hockey players to continue playing the game as long as possible even beyond the 80-year threshold.

Players from Ottawa, North Bay, Pembroke, and Whitby will be participating at this year's event in Ottawa. We welcome everyone that wishes to attend the game.
