MESSAGE FROM THE PREMIER DOUG FORD

Premier of Ontario - Premier ministre de l'Ontario

October 26, 2024

A MESSAGE FROM PREMIER DOUG FORD

I want to extend warm greetings to everyone taking part in the Ottawa 16th Induction Ceremony of the 80+ Hockey Hall of Fame. Hockey is a great Canadian sport that brings together people of all ages, backgrounds and skill levels.

I commend the 80+ Hockey Hall of Fame for hosting this event to honour and recognize senior adult recreational hockey players who are still actively playing organized hockey in their 80th year or beyond. Congratulations to the selected players. You are a true inspiration for the next generation of players.

Best wishes for a memorable and exciting ceremony.

Doug Ford
Premier

80+ HOCKEY HALL OF FAME **TEMPLE DE LA RENOMMÉE DU HOCKEY 80+**

OUR HISTORY

Le Temple a été fondé à l'initiative du Gatinois MAURICE MARCHAND appuyé de hockeyeurs des Elder Skatesmen d'Ottawa, pour reconnaître les joueurs de hockey récréatif canadiens de 80 ans et plus encore actifs. La première intronisation a eu lieu le en 2011 pour admettre cinq joueurs de 80 ans et plus d'Ottawa. À la catégorie des JOUEURS s'est ajoutée en 2012 celle de BÂTISSEURS, pour honorer des bénévoles qui ont contribué à l'organisation et à l'avancement du hockey récréatif pour les aînés. L'organisation sans but lucratif est bientôt devenue pancanadienne. En plus d'Ottawa et de Gatineau, des intronisations ont récemment eu lieu à Saskatoon en Saskatchewan et à Burlington en Ontario. Jusqu'à présent, 335 joueurs et 39 bâtisseurs, membres d'une vingtaine d'équipes sont membres, et leur nombre est croissant. L'engagement du Temple est de s'assurer que tout joueur éligible dans l'année de son 80ème anniversaire puisse être reconnu lors de l'une de ses futures cérémonies d'intronisation (www.hockey80plus.com). MAURICE MARCHAND is at the origin of the organization, with the support of Ottawa Elder Skatesmen teammates, to formally recognize

active recreational hockey players aged 80 and over in Canada.

The first ceremony was held in 2011 for the induction of five 80+ players from Ottawa. The BUILDERS category was added to the PLAYERS to honor the volunteers who contributed to the organization and the advancement of senior recreational hockey. The 80+ Hockey Hall of Fame rapidly became a pan-Canadian organization. To Ottawa and Gatineau were recently added inductions in Saskatoon, Saskatchewan, and Burlington, Ontario. To date, 335 players and 39 builders from some 22 teams have been inducted and their number is increasing annually. The 80+ Hockey Hall of Fame is committed to ensure that all players eligible during the year of their 80th birthday can be recognised at one of its future induction ceremonies (www.hockey80plus.com).

2024

On behalf of Ottawa City Council, I'm thrilled to welcome everyone to the 2024 80+ Hockey Hall of Fame Induction Ceremony here in Canada's capital!

Our Older Adult Plan is all about creating an age-friendly community, and we're committed to investing in projects and programs that enhance the quality of life for our seniors. Recreational activities are a big part of that, and we know how much joy hockey brings to so many.

The 80+ Hockey Hall of Fame deserves high praise for encouraging a healthy lifestyle and fostering active living through recreational hockey for seniors. It's also a fantastic way to bring people together and combat social isolation.

A special congratulations to the twenty-five incredible players and builders from Ontario, Nova Scotia, Quebec, and Colorado Springs, USA. You all exemplify the spirit of our game and our community.

I wish everyone a wonderful afternoon filled with great memories of hockey in Ottawa. Let's celebrate this remarkable achievement together!

Sincerely,

Mark Sutcliffe, Mayor/Maire

2024

Je suis ravi d'accueillir, au nom du Conseil municipal d'Ottawa, tous les participants à la cérémonie d'intronisation au Temple de la renommée du hockey 80+, qui a lieu ici dans la capitale du Canada!

Notre Plan relatif aux personnes âgées vise à créer une communauté amie des aînés, et nous nous sommes engagés à investir dans des projets et des programmes qui améliorent la qualité de vie de ces derniers. Les activités récréatives jouent un rôle important à cet égard, et nous savons à quel point le hockey rend tant de gens heureux.

Le Temple de la renommée du hockey 80+ mérite des éloges pour encourager un mode de vie sain et favoriser une vie active grâce au hockey récréatif pour les aînés. Il s'agit également d'une façon fantastique de rassembler les personnes et de combattre l'isolement social.

J'adresse tout particulièrement mes félicitations à ces vingt-cinq incroyables joueurs et bâtisseurs de l'Ontario, de la Nouvelle-Écosse, du Québec et de Colorado Springs, aux États-Unis. Vous illustrez tous l'esprit de notre jeu et de notre communauté.

Je souhaite à toutes et à tous un merveilleux après-midi rempli de formidables souvenirs du hockey à Ottawa. Célébrons ensemble ce jalon remarquable!

Cordialement,

MAURICE 'MOE' MARCHAND

THE MAN BEHIND THE IDEA THE 80+ HOCKEY HALL OF FAME

Moe realized an opportunity to both recognize and encourage hockey players to continue playing the game they love as well as show leadership, to family and friends, by remaining active. His vision, determination and perseverance were instrumental in creating a dynamic organization, known across Canada. Many proud inductees are a testimonial to his initiative and contribution. In 2011 the first five inductees were honoured at a game played at the University of Ottawa. Since that time, the numbers have grown to 374, and 25 more will be added on October 26, 2024. Maurice served as president until he retired on January 31, 2023.

THANK YOU, MOE.

L'HOMME DERRIÈRE L'IDÉE TEMPLE DE LA RENOMMÉE DU HOCKEY 80+

Maurice a saisi l'opportunité de reconnaître les joueurs de hockey de 80 ans et plus et de les encourager à continuer à jouer le sport qu'ils aiment, tout en montrant leur leadership auprès de leur familles et amis en demeurant actifs. Sa vision, sa détermination et sa persévérance ont été des éléments clés dans la création d'une organisation dynamique, reconnue d'un bout à l'autre du Canada. Plusieurs fiers intronisés rendent hommage à son initiative et à sa contribution. Les cinq premiers intronisés ont été honorés lors d'une partie de hockey à l'université d'Ottawa en 2011. Depuis ce temps, leur nombre a augmenté à 374. Vingt-cinq nouveaux intronisés viendront se joindre à ce groupe, le 26 octobre à Ottawa. Maurice a occupé le poste de président jusqu'à sa retraite le 31 janvier 2023.

2024 – OTTAWA INDUCTEES

TOM SOMERTON – BUILDER

Tom responded to Ken Morin’s newspaper ad in 2006 to join a new hockey team and became a member of the organizing committee. They sorted out the team’s name, the jersey colours, the logo, where and when they would play, and who would be allowed to play. The Elder Skatesmen were born. Tom states, “my pride in the logo aspect, the parliament buildings, was that I suggested that the Peace Tower clock should show a time of “10:30” which was our game time. My bit of humour in that suggestion was that if

the elder players forgot the game time, they just had to look at the clock on the logo.”

Tom looked after the spares and took over doing the line-ups; he helped organize the Hockey Fest games and ordering new sweaters and socks. He also looked after the CARHA insurance.

Other significant contributions were the Friendly Hockey Rules and Fall Training Camps.

Tom joined the Elder Skatesmen because of Ken’s vision of playing friendly hockey. He took that idea and wrote it into The Friendly Hockey Rules. They were well accepted by most players and were even picked up by other teams who wanted to enjoy themselves and not worry about injuries.

Like many senior recreational hockey players, Tom never had any formal coaching. In 2011, “I teased the guys about possibly getting fat and lazy because of the summer downtime until we started our winter hockey,” and he started up a conditioning camp that became a training camp. “We were off on our Elder Skatesmen Training Camp with twenty some players,” which ran for many years after that. He gathered together instructional material, and eventually recruited Richard Sennott to take over the on-ice part, and who later put together an informative off-ice portion as well. Tom’s contribution for well over a decade to the start-up and helping with the coordination of the Elder Skatesmen has made it possible for hundreds of players to continue safely enjoying a game they love. Thank you, Tom.
