A MESSAGE FROM PREMIER DOUG FORD

Hello and welcome to everyone taking part in the 17th Induction Ceremony of the 80+ Hockey Hall of Fame.

Hockey is a great Canadian sport that brings together people of all ages and cultural backgrounds. It also cultivates discipline, excellence, fair play and sportsmanship — values that serve its players well in the hockey rink and in life. For seniors, it provides an avenue for engagement and way to stay physically and mentally fit while doing what you love.

I want to congratulate the amazing athletes who are being inducted into the 80+ Hockey Hall of Fame today. Your achievements will serve to show us how to age with strength. I know you will inspire future generations of athletes and sports builders in the years to come.

You're all true champions!

Doug Ford
Premier

80+ HOCKEY HALL of FAME **TEMPLE DE LA RENOMMÉE DU HOCKEY 80+**

OUR HISTORY

MAURICE MARCHAND is at the origin of the organization, with the support of Ottawa Elder Skatesmen teammates, to formally recognize active recreational hockey players aged 80 and over in Canada. The first ceremony was held in 2011 for the induction of five 80+ players from Ottawa. The **BUILDERS** category was added to the **PLAYERS** to honour the volunteers who contributed to the organization and the advancement of senior recreational hockey. The 80+ Hockey Hall of Fame rapidly became a pan-Canadian organization. To Ottawa and Gatineau were recently added inductions in Saskatoon, Saskatchewan, and Burlington and Huntsville, Ontario. To date, 359 players and 40 builders from some 23 teams have been inducted and their number is increasing annually. The 80+ Hockey Hall of Fame is committed to ensure that all players eligible can be recognised at one of its future induction ceremonies (www.hockey80plus.com).

Le Temple a été fondé à l'initiative du Gatinois **MAURICE MARCHAND** appuyé de hockeyeurs des Elder Skatesmen d'Ottawa, pour reconnaître les joueurs de hockey récréatif canadiens de 80 ans et plus encore actifs. La première intronisation a eu lieu le en 2011 pour admettre cinq joueurs de 80 ans et plus d'Ottawa. À la catégorie des **JOUEURS** s'est ajoutée en 2012 celle de **BÂTISSEURS**, pour honorer des bénévoles qui ont contribué à l'organisation et à l'avancement du hockey récréatif pour les aînés. L'organisation sans but lucratif est bientôt devenue pancanadienne. En plus d'Ottawa et de Gatineau, des intronisations ont récemment eu lieu à Saskatoon en Saskatchewan et à Burlington et à Huntsville en Ontario. Jusqu'à présent, 359 joueurs et 40 bâtisseurs, membres d'une vingtaine d'équipes sont membres, et leur nombre est croissant. L'engagement du Temple est de s'assurer que tout joueur éligible puisse être reconnu lors de l'une de ses futures cérémonies d'intronisation (www.hockey80plus.com).

MESSAGE FROM THE PREMIER DR. ANDREW FUREY

Congratulations on your well-deserved induction into the Newfoundland 80+ Hockey Hall of Fame. This incredible milestone is a celebration of your lifelong dedication to the sport and the lasting impact you've made on the hockey community.

Your passion and commitment to the game continue to inspire players of all ages. You've shown us that the love of sport has no age limit—and that staying active, connected, and involved is something to be celebrated at every stage of life.

Thank you for blazing the trail, for sharing your stories, and for reminding us all of the joy and camaraderie that hockey brings.

We honour your legacy with great pride.

A handwritten signature in black ink, appearing to read 'Andrew Furey'.

Honourable Dr. Andrew Furey

THE MAN BEHIND THE IDEA THE 80+ HOCKEY HALL OF FAME

Moe realized an opportunity to both recognize and encourage hockey players to continue playing the game they love as well as show leadership, to family and friends, by remaining active. His vision, determination and perseverance were instrumental in creating a dynamic organization, known across Canada. Many proud inductees are a testimonial to his initiative and contribution. In 2011 the first five inductees were honoured at a game played at the University of Ottawa. Since that time, the numbers have grown to 400, and 29 more will be added on May 3, 2025. Maurice served as president until he retired on January 31, 2023.

L'HOMME DERRIÈRE L'IDÉE TEMPLE DE LA RENOMMÉE DU HOCKEY 80+

Maurice a saisi l'opportunité de reconnaître les joueurs de hockey de 80 ans et plus et de les encourager à continuer à jouer le sport qu'ils aiment, tout en montrant leur leadership auprès de leur familles et amis en demeurant actifs. Sa vision, sa détermination et sa persévérance ont été des éléments clés dans la création d'une organisation dynamique, reconnue d'un bout à l'autre du Canada. Plusieurs fiers intronisés rendent hommage à son initiative et à sa contribution. Les cinq premiers intronisés ont été honorés lors d'une partie de hockey à l'université d'Ottawa en 2011. Depuis ce temps, leur nombre a augmenté à 400. Vingt-neuf nouveaux intronisés viendront se joindre à ce groupe, le 3 mai, 2025 à Ottawa. Maurice a occupé le poste de président jusqu'à sa retraite le 31 janvier 2023.

May 3rd 2025

It gives me great pleasure, on behalf of my colleagues on Ottawa City Council, to welcome all those participating in the 17th **Induction Ceremony** of the **80+ Hockey Hall of Fame** at Jim Durrell Recreation Centre.

This year, we pay tribute to twenty-nine players and one builder, representing Newfoundland, Quebec and Ontario, who will be inducted into the 80+ Hockey Hall of Fame in recognition of their valuable contributions to the promotion of the sport of hockey for a diversity of senior adults across Canada.

As Head of Council, I want to congratulate the leadership and volunteers of the 80+ Hockey Hall of Fame for encouraging active living and recreational hockey for mature adults as a healthy lifestyle choice, as well as for committing time, energy, expertise, services and resources to the successful organization of recreational hockey at Jim Durrell Recreation Centre and the 2025 Induction Ceremony and banquet.

Allow me to offer my best wishes to everyone in attendance for some great plays on the ice and for a memorable Induction Ceremony.

Sincerely,

Le 3 mai 2025

J'ai l'immense plaisir de souhaiter la bienvenue, au nom de mes collègues du Conseil municipal d'Ottawa, à tous les participants de la 17^e **Cérémonie d'intronisation du Temple de la renommée du hockey 80+** au Centre récréatif Jim-Durrell.

Cette année, nous rendons hommage à vingt-neuf joueurs et à un bâtisseur, représentant Terre-Neuve, le Québec et l'Ontario, qui seront intronisés au Temple de la renommée du hockey 80+ afin de saluer leurs précieuses contributions visant à promouvoir le sport du hockey auprès d'une diversité d'adultes aînés à l'échelle du Canada.

En tant que chef du Conseil, je tiens à féliciter la direction et les bénévoles du Temple de la renommée du hockey 80+ pour leurs efforts qui favorisent la vie active et le hockey récréatif chez les adultes d'âge mûr qui choisissent un style de vie sain, ainsi que pour le temps, l'énergie, les compétences, les services et les ressources qu'ils ont consacrés à l'organisation des matchs de hockey récréatifs au Centre récréatif Jim-Durrell, du banquet et de la Cérémonie d'intronisation de 2025, pour en assurer la réussite.

Permettez-moi d'offrir à tous les participants mes meilleurs vœux pour la tenue de très beaux matchs sur la patinoire et d'une Cérémonie d'intronisation mémorable.

Cordialement,

Mark Sutcliffe, Mayor/Maire

JOHNNY LEROUX – BUILDER

John “Sparky” Leroux

John is often referred to as the “Father of Oldtimer’s Hockey in Stittsville”. He is probably the most recognizable face in sports in his community, be it playing, coaching, officiating, or fundraising – he has organized and supported sports for his whole life.

Wearing his #4 hockey jersey he played defence in many men’s leagues for over

40 years, but it was as an organizer for men’s oldtimers hockey that he made his name. He formed a Town League in 1971 and then another in 1978 that still exists today. He formed many men’s Oldtimers teams including the Stittsville Merchant Selects which became a dominant senior hockey organization that iced teams in the 30+, 35+, 40+ and 45+ age groups. These teams led by John played in tournaments in the US and all over the Ottawa and Montreal area. John took time out to play in the famous Snoopy Tournament in California and returned to organize many tournaments at the Stittsville Arena, an arena that now bears his name because the city renamed the arena as The John Leroux Arena in 1971.

John is one of the greatest sports fans that you could ever meet – a fan who just enjoys being involved with sports, be it hockey or softball or boxing. John also was recognized by the Ottawa Sports Awards in 1971 winning their award for Lifetime Volunteer Achievement. John, a Korean War veteran, combined his love of sports with his involvement with the Royal Canadian Legion in Stittsville, spending 14 years as chair of minor sports for the Legion. Don’t mess with John, he was a Canadian boxing champion while serving in the armed forces!

REG WOODS – BUILDER

Reg Woods was a long-time hockey player in the Ottawa area when he first signed up with the Elder Statesmen hockey organization in 2013. Not long after he took on his first duties as coordinator of the 65+ group he was playing with. By 2017 he was coordinator and playing with both the 65+ and 70+ Elder Skatesmen groups. His playing career was limited by an injury in 2018, but he has continued to this day to be the coordinator for at least

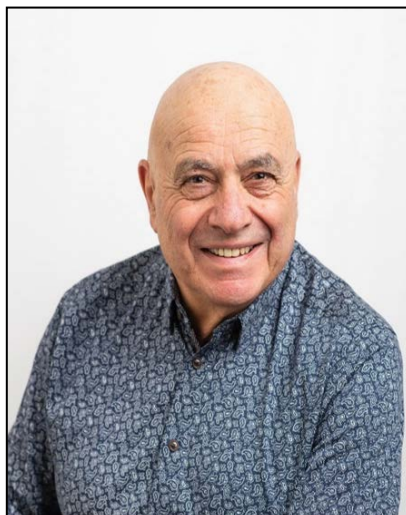

two of the hockey groups. He also continues to be the “equipment manager” purchasing team items such as sweaters, hats and socks for all 8 of the current Elder Skatesmen hockey groups.

Reg likes to use the telephone to stay in touch with players, to the delight of many players’ wives who are entertained by his calls. He consistently keeps us up to date on world events with his dressing room dissertations on topics of the day.

Reg is a valued member of the Elder Skatesmen organization. His dedication and commitment to senior recreational hockey has enriched the lives of players but also helped the spirit of the game continue to thrive through social and physical activity because he and builders like him make it possible for others to get together and play well into their later years.
