Saskatoon (April 23, 2022)

Director Dave Hume (Western Canada Representative) and his 60+ Hockey Club hosted another amazing Induction Event Day in April.

With twenty-two (22) inductees and nearly 600 guests in attendance, Dave pulled off one of the most successful events so far. The Induction Day included two games: a “warm-up” game against the Saskatoon Comet Inferno U15 'A' Women's team and the Official 80+ Inductee Game. Both games had referees Kerry Fraser (ex NHL referee) and Regina's own Cianna Lieffers (Beijing 2022 Olympics referee) keeping the action clean. Kerry Fraser also delivered a much appreciated speech as the Ceremony's guest speaker.

The evening's gala event began with the Inductees being escorted into the Hall by a Pipe and Drum Corp.

Herb Brennan (80+HHoF Secretary) performed the induction Ceremony while Ken Crump (President Saskatoon 60+ Hockey League) handled the Master of Ceremonies role.

The families of inductees, their friends and guests were treated to an exceptional buffet meal including wine and desserts.
